

24 August 2021 - Alert #10

COVID-19 restrictions

The NSW Government is regularly updating COVID-19 rules and restrictions in response to the spread of the coronavirus.

These rules and restrictions impact all Crown land managers and use of NSW Crown reserves.

Visit the NSW Government COVID-19 website to keep updated on all COVID-19 information including current restrictions, construction worker rules, case locations, support resources for businesses, vaccinations and more.

The Department of Planning, Industry and Environment – Crown Lands continues to provide additional support to Crown land managers during the COVID-19 restrictions. Please contact us if you need assistance.
