Update on COVID-19 restrictions

The NSW Government has introduced new restrictions across NSW to protect the community from COVID-19.

Stay at home orders are currently in place for Greater Sydney including the Blue Mountains, Central Coast, Wollongong and Shellharbour until 11.59pm on Friday, 9 July 2021. Other rules and restrictions also apply for regional and rural NSW.

The situation is rapidly changing so it's important to keep up to date to ensure you're doing the right thing.

Visit [NSW Government - COVID-19](#) for the latest news and updates and to check current restrictions.

All Crown land managers should review their individual and reserve-specific circumstances and adhere to current public health order restrictions.

The Department of Planning, Industry and Environment - Crown Lands, continues to provide additional support to land managers during COVID-19 restrictions. Should you need assistance, please contact us.

Stay safe.
